Subject: Invitation to speak to ACC Health, Products and Science Policy Committee June 27

Ryan, the members of ACC's Health, Products and Science Policy Committee (our industry's TSCA experts) will be in town on June 27 for their annual planning meeting. The group will be meeting for drinks and dinner on June 27, 2017, starting at 6 p.m.. We would like to invite you to address the group with remarks beginning at 6:30 or so. I hope you will be able to join us – I know the member companies would value having the benefit of your perspective. I expect about 30 member company representatives to attend. If you can join us, please let me know. Thanks very much and have a good weekend. Mike
